Certifications

Diploma in Full-Stack Web Development – HyperionDev (2024)
Diploma in Animal Behaviour – COAPE SA (2022)
Qualified in African Wild Dog Behaviour – COAPE SA (2019)

Experience

2020 – Present   Volunteer at Monkey Matters, Port Elizabeth
- o Provided 24/7 care for orphaned monkeys, focusing on rehabilitation and behaviour evaluation.
- o Developed strategies to mentally stimulate monkeys, preparing them for release into conservation areas.

2021 – Present   Animal Behaviourist
- o Developed customized behaviour modification plans for pets, addressing complex issues like anxiety and aggression.
- o Regularly communicated with clients to track progress and provide feedback.
- o Conducted training sessions using positive reinforcement techniques.

Note: While my primary work experience has been with animals, my passion for web development led me to earn a Full-Stack Web Development diploma. I am

eager to bring my problem-solving skills and self-motivation to a web development role.
